

Coastal Perspectives Lecture Series

University of Connecticut, Avery Point Campus Spring of 2015

Please join us in our newly renovated 300-seat auditorium for the 19th annual Coastal Perspectives Lecture Series. The auditorium is located between the new student center and the academic building on the west end of campus. This lecture series attempts to span the breadth of human interactions with coastal waters, including speakers from the natural and social sciences.

February 10 – Steve Malinowski, Ph.D , Fishers Island Oyster Farm, Inc., Founder/Co-Owner
“Fishers Island Oyster Farm: Microbrewed Bivalves - From Hatchery to Table”

February 24 – Scott Stephenson, Assistant Professor, Department of Geography, UConn
“Scenarios of 21st-century Human Access in a Warming Arctic”

March 10 – Michael M. Whitney, Associate Professor, Marine Sciences, UConn and
Anne DiMonti, Director of the Audubon Society of Rhode Island Environmental Education Center
“Ocean Connections with the Charles W. Morgan”

March 24 – Christopher Pastore, Assistant Professor, Dept. of History, University at Albany, SUNY
“Between Land and Sea: The Atlantic Coast and the Transformation of New England”

April 7 – Christine Keiner, Associate Professor of STS and History, Rochester Institute of Technology
“Sea Snakes and Sovereignty: The Panatomic Canal Debate, Invasion Biology, and the Environmental Management State, 1964-1978”

April 21 – Symposium: “Spatial Planning in Long Island Sound: What Is Out There to Conserve?”
Ralph Lewis, Asst. Professor in Residence, UConn & Connecticut State Geologist Emeritus & LISRC
Peter Auster, Research Professor Emeritus & Senior Research Scientist, UConn & Mystic Aquarium
Roman Zajac, Professor & Department Chair, Biology & Environmental Science, U. of New Haven
Moderator: TBA

Lecture series is **FREE** and open to the public. Lectures begin at 7:30 p.m., with light refreshments at 7:10.

Lectures are held in the UConn Avery Point auditorium, 1084 Shennecossett Road, Groton. Enter from the Academic Building main entrance, auditorium is on second floor at end of hall (disabled accessible); or enter through the student center, go up one flight of stairs.

This series is sponsored by **UConn Avery Point**, the **UConn Department of Marine Sciences**, the **UConn Maritime Studies Program**, and the **Connecticut Sea Grant College Program**.
